From here you drive 9 kms along Don Road to Nyora Road.

Just before Nyora Road there is a hairpin bend and then a little further there is a sign for Malleson's Lookout. A few hundred metres further is Nyora Road. Turn right into Nyora Road. The first *Lyrebird Cottages* sign is at this corner.

Follow Nyora Road for three kilometres to the end of Nyora Road. Turn right into Moora Road. The second *Lyrebird Cottages* sign is at this corner. Lyrebird Cottages is 1km from here. We are on the right hand side of the road where the road goes steeply downhill. Please drive slowly downhill or you may go past our entrance. There are two entrances to our property. Turn into the second driveway which is a very short distance below our property sign.

Park in one of the two car spaces against the sleeper wall.

Your cottage will be unlocked. Please text or call to let us know you have arrived.
